THAT'S HOW IT STARTED... MOTI ELDAR, AL-MAGOR FOUNDER AND THE T1-3, OUR FIRST TOOL.

Al-Magor was founded on 1990 and is engaged in the development and production of unique and original tools for punching holes and inserting connectors in irrigation pipes. These products are hand-crafted and meticulously designed to create precise holes for the installation of drippers, start connectors, and sprinklers into irrigation pipes. The tools developed by the company are made in cooperation with the largest irrigation pipes manufacturers like Netafim, Metzer, Rivulis and others.

The range of products provides solutions for every hole and pipe size, holes from 2 mm to 33 mm and for pipes of all sizes.

The tools are suitable for all types of irrigation pipes, PE, PVC, and LAYFLAT.

Alongside the standard product line, Al-Magor has developed over the years dedicated tools compatible for various accessories of its customers.

Much thought has been invested in the development of instruments of high quality, without compromising the comfort of use and most importantly, labor time saved in the field.

Most of the tools are registered as patents in Israel and abroad.

Al-Magor products are sold in Israel and abroad into market segments of agriculture and gardening.

QUICK CUT MIRACLE PUNCH

The original patented and popular tool for punching 2, 3, or 4mm hole in 16-20mm or 25-32mm pipes. This tool provides the easiest means of holing pipelines for fitting all types of sprinklers, connectors, and drippers.

200120 QUICK-CUT for 16/20 pipe 2mm - T1-2

200125 QUICK-CUT for 16/20 pipe 2.5mm - T1-2.5

200130 QUICK-CUT for 16/20 pipe 3 mm - T1-3

200140 QUICK-CUT for 16/20 pipe 3.7 mm - T1-4

QUICK CUT MIRACLE PUNCH

The original patented and popular tool for punching 2, 3, or 4mm hole in 16-20mm or 25-32mm pipes. This tool provides the easiest means of holing pipelines for fitting all types of sprinklers, connectors, and drippers.

210020 QUICK-CUT for 25/32 pipe 2 mm- T2-2

210025 QUICK-CUT for 25/32 pipe 2.5 mm - T2-2.5

210030 QUICK-CUT for 25/32 pipe 3 mm - T2-3

210040 QUICK-CUT for 25/32 pipe 4 mm - T2-4

QUICK CUT MIRACLE PUNCH + MULTI INSERTER ADAPTER

The original patented and popular tool for punching 2, 3, or 4mm hole in 16-20mm pipes. This tool provides the easiest way of holing pipelines and inserting variety of drippers and fittings with the Multi Inserter Adapter

220122 SPARE 2mm PUNCH for QC

220122-5 SPARE 2.5mm PUNCH for QC

220123 SPARE 3mm PUNCH for QC

220124 SPARE 4mm PUNCH for QC

QUICK CUT MIRACLE PUNCH + MULTI INSERTER ADAPTER

The original patented and popular tool for punching 2, 3, or 4mm hole in 16-20mm pipes. This tool provides the easiest way of holing pipelines and inserting variety of drippers and fittings with the Multi Inserter Adapter

200133 QUICK-CUT for 16/20 pipe 3 mm + INSERTER - T1-3N

200133-P QUICK-CUT for 16/20 pipe 3 mm - T1-3N Pack

UNIVERSAL PUNCH -UP

Tool for holing pipes from 16mm to 32mm with high quality punch tip optional sizes: 2, 3, & 4mm. The spiral penetration of the punch to the pipe facilitates the operation even when the pipe is warm and flexible.

160020 UP-2 UNIVERSAL PUNCH 16/32 -2mm

160025 UP-2.5-UNIVERSAL PUNCH 16/32 -2.5mm

160030 UP3 -UNIVERSAL PUNCH 16/32- 3MM

160030-P UP-3 PACK -UNIVERSAL PUNCH 16/32 - 3mm -PACK

160037 UP4 -UNIVERSAL PUNCH 16/32 -3.7mm

160040 UP44 - UNIVERSAL PUNCH 16/32 - 4mm

DR-DRILL BIT (Drilling with/without Saddle) for PE and PVC pipes

This high-quality Drill Bit designed to be mounted on hand drilling machine or impact screwdriver machine**. Very effective on both PE or PVC pipes. The Drill Bit makes an accurate hole and can be used before or after saddle is mounted. The special geometry of the drill assure that the Drill Bits will not protrude through the other side of the pipe. All our drills are made of high-quality metal and undergo thermal treatment, coating and sharpening for a long-term use workmanship. A variety of hole diameter sizes available from 7.5 mm to 33 mm.
